Lockheed Aircraft Corporation  
Burbank, California

Attention: Mr.

25X1

Subject: Contract No. SP-1915

Gentlemen:

The parties to the subject contract agreed in a document dated July 24, 1957 that no part of the \$1,700,000 mentioned in Section C of Appendix I would be spent by Lockheed Aircraft Corporation until further specific authorization is given by the Contracting Officer.

This is to advise that money under Section C of Appendix I is hereby approved to be spent for such models as have been approved by representatives of this office in discussions with C. J. Johnson of your Company. The unexpended balance of the \$1,700,000 is not presently available for expenditures from other than the aforementioned models. Consideration may be given in the future to allocating a portion of the \$1,700,000 for costs incurred under Sections A and B of Appendix I, if appropriate.

It is requested that you submit a statement of costs incurred to date, and anticipated to be incurred by 30 June, under Sections A, B and C of Appendix I.

Very truly yours,

Contracting Officer
